

## (1) The Story Of Noah

Now this is the story of noah's time  
when people who did good were hard to find  
But Noah was good and was liked by God  
and brought up his family the same

Chorus:

God said he would bring a great flood  
Everyone would drown in the mud  
'Cause they wouldn't do what they should  
It would rain and rain

So Noah went telling from town to town  
If they wouldn't listen they'd surely drown  
They didn't believe him but turned away  
Now wasn't that an awful shame (chorus)

Then Noah went building an ark, you know,  
Whatever God told him he'd do just so.  
His wife and his sons Japheth, Ham and Shem  
and their wives were free from all blame (chorus)

Then God said to Noah to fill the ark  
and it became like a safari park  
with lions and tigers then two by two  
all of the animals came

His family also got in the ark  
The door it was shut and the sky grew dark  
The heavens were opened, the flood came down  
But those in the ark were all saved (chorus)

And haven't you noticed how in our time  
the people who do good are hard to find  
We need to find out what we have to do  
so we can be free from all blame (chorus)

## (2) How Did They Get Here?

Picture heather on hills and soft flowing streams  
and all the animals, some we never have seen.  
There's so much harmony and such variety too.  
Haven't you wondered who put them all here for you?

How did they get here? Don't you want to know?  
Someone strong and very wise created them long ago (2)

Look at the flowers with all their colours so bright,  
in so many sizes - they're a beautiful sight  
Come smell their fragrance - in this season they bloom.  
Haven't you wondered who put them all here for you?

How did they get here? Does someone make them grow?  
Someone strong and very wise created them long ago (2)

Gaze up to heaven at those beautiful stars.  
Sparkling so bright - their glory shines from afar.  
You feel so tiny, the universe is so vast  
It makes you wonder - staring into the past.

How did they get here? It's such a lovely show.  
Someone strong and very wise created them long ago (2)  
Someone strong and very wise created them long ago (2)  
His name is Jehovah. (repeat and fade)

### (3) Time For Activity

It's not the time to drop your hands  
Oh lift up your hands  
The time for work is now at hand  
Yes lift up your hands

Chorus:

Eyes of blind will see again  
And the deaf will hear again  
We will hear the voiceless people calling  
God himself will be with us  
Taking death away from us  
Gone will be all the pain and morning

The time has come to raise our head  
Oh lift up your head  
And if we don't tire out by then  
Soon we'll be there when (Chorus)

The time we live in is the end  
No, you can't pretend  
While we pray for our God to send  
Soon, his kingdom when (Chorus)

#### (4) Happy Times

Chorus:

We have a chance to be happy - Come on don't throw it away  
This is a time to be happy  
Throwing all of our worries and our cares out of the way.  
I said that all of the world should be happy  
Why should there be only few  
Let's share out joy with all others  
Help them to be happy too.

When you find yourself lonely with a sadness coming on  
There is something positive to do - you can help  
people who like yourself too could be feeling rather low  
you may find that your giving helps you through  
yes you should do that because (chorus)

Sing along with a happy song or hum a happy tune  
Whistle over a joyful melody  
because we know, and it's for a certainty that peace is coming soon  
That's when everyone lives in harmony - as it should be  
So I say (chorus)

**(5) Dream Tonight (Lullaby)**

Goodnight, dream tonight  
Who's gonna make you happy?  
Sleep tight, Dream tonight  
It's got to be your Mummy and Daddy.  
Who's gonna teach you?  
Who's gonna be with you all life through?  
It's got to be your Mum.  
It's gotta be your Dad, Jehovah too.

Goodnight, dream tonight  
Who gave you breath to be here?  
Sleep tight, dream tonight  
Who is it wipes away tears.  
Who keeps their thoughts and innermost feelings  
just for you?  
It's got to be your Mum.  
It's gotta be your Dad, Jehovah too.  
(instrumental)

Goodnight, dream tonight  
You're the best gift there could be.  
Sleep tight and dream tonight  
of what a paradise you will see.  
A whole world of joy, a future of peace waits for you  
So listen to your Mum,  
Listen to your Dad, Jehovah too.  
Goodnight, sleep tight and dream.

**(6) True Love**

Love is sharing, Love is caring  
True love is long suffering and kind  
Try it and you'll find  
Love is bearing and believing  
Yes it hopes all things and it endures  
This I know for sure.

Chorus:

Love's a perfect bond  
So I know that it's what we need  
if this glowing here in our heart is to survive  
No, it never fails.  
Should the world collapse around us  
it will still be found even stronger than our lives.

Love is stronger, will last longer.  
True love takes you through the troubled times  
This is what I find.  
I've been happy. Still I'm happy.  
All because I benefit from love  
must be from above (chorus)

(Repeat chorus and first verse)

### (7) Playing In The Paradise

Wouldn't it be lovely, wouldn't it be nice  
- all the children playing free in a paradise.  
They play with all the animals having lots of fun.  
Lambs and tigers cuddle up then in the field they run.

Chorus:

And the cats all sing; Meeow Meeow  
The dogs wont find it rough (ruff ruff)  
See the crocodile has a smile  
And the sheep can't laugh enou uh uh gh  
And all the lions are feeling fine  
There's freedom everywhere  
and everyone wants a hug  
From panda and koala bear (panda and koala bear)

Wouldn't it be lovely, wouldn't it be nice  
- all the children playing free in a paradise.  
Elephants are dancing proud, stomping with their feet  
Sounding like a trumpet call to every one they meet ..(chorus)

Wouldn't it be lovely, wouldn't it be nice  
- all the children playing free in a paradise.  
So if you want to be there too in that paradise  
Listen to your Mum and Dad  
- always take their advice (chorus twice)

### **(8) Doing Things My Father's Way**

I don't want to tell a lie. If I do I know I'll die.  
It will make my Father cry if I tell a lie.

Chorus;

Even if you tease and try to temp me  
I will only look the other way  
Because I know I only will be happy  
When I always do things in my Father's way.

I don't need to beg or steal. I will always have my meals  
I know how my Father feels, I wont beg or steal ..(chorus)

I don't want to play with them. Bad words they have all spoken  
They are not my Fathers friends so I wont play with them ..(chorus)

I listen to Mum and Dad. I don't want to make them sad.  
No, you can't make me do bad, 'cause I love Mum and Dad ..(chorus)

if every bad ways they defend  
This is what I say to them - I always say ...
